Please note there is a QR code on the back of the food list. Smart phone users can use a QR reader on their phone to read this code and quickly go to the WIC approved food list web page.

We encourage you to ensure your participants are aware of this feature. It can be particularly helpful for participants who speak other languages- Arabic, Bosnian, Burmese, Chinese, Farsi, French, Hmong, Korean, Romanian, Russian, Somali Ukrainian, Urdu and Vietnamese. The food list is translated into these languages and is on this web page. It will allow participants who speak one of the languages above and have a smart phone to quickly see the food list translated into their language.

If you have questions, please contact Mark Davis at Mark.Davis@health.mo.gov or 573-526-5323 or 800-392-8209.
